Historical Publications

History as it happened

In this book, a simple attempt to remove dust from many events that have affected and has both distortion and veneration, an attempt to formulate history an objective formulation that is not marred by courtesy or slander.

Author: Busma Team

Historical Publications

A trip to the Ottoman Empire

In this book, you will find the details of the trips of early French scholars who were sent to explore the Mideleast in preparation for the French colonialization France. France was starting a new era of undefeated power and strong ambitions to conquer new territories, which made it urgent for France to have such "scientific report" or trip C . A. Olivier indicated in his introduction that this trip is not a novel of pleasure, and not literary descriptions of the scenery and wonderful regions he saw, or the personal situations he went through, but rather a history of the aspects and things that he was assigned to. The Executive Council of the Revolution, and it is a "scientific report." Nevertheless, the journey, with its abstract scientific and descriptive diversity, was enjoyable, exceptional and exciting.

Author: Ahmed Al-Sharkawy
