## COMPANY PROFILE

Mizan Group, since the last decade, has redefined itself as a content company. In line with the profound changing in the business environment and to prepare for the future, Mizan Group will involve not only in the field of book publishing, but more than that in the development, packaging and distribution of content in a broad sense, using the state of the art technologies. We believe Mizan Group will be able to answer the challenges of the future, with its four crucial mutually supportive “assets” that have been accumulated since its inception in 1983.

## CONTENT LIBRARY

Mizan Group has content library of 14 thousand volumes, most of which are ready for content repurposing to various formats and platforms, which could then be marketed not only in Indonesia but also to the international market.

## CONTENT PRODUCTION

Mizan Group has the human resources skills and professionalism, as well as the facilities and infrastructure, to produce printed books, e-books, games and applications, television programs and movies.

## BRAND VALUES

Mizan Group is well known for its reputation for educational, inspirational and high quality content.

## MARKET EXPERIENCE

With more than three decades of experiences, Mizan Group understands the content industry in Indonesia very well. It has also developed effective and nationwide distribution networks for all its content. This allows Mizan Group to anticipate the business environment changes and to predict the market trends as well—thereby increasing the opportunities for success.

- **MIZAN PUBLIKA**

In regards to international authors, Noura publishes the Indonesian edition of the works of A.A. Milne, Roald Dahl, Rick Riordan and Lauren Oliver.

## • CAB

CAB Comics is an imprint of Mizan specializing in comic books and graphic novels. Originally an independent publisher, CAB joined Mizan Publishing House in 2011. CAB's publications mainly deal with daily life themes that caught the attention of many readers and received good response as a creative way to view personal and social matters. Later, CAB started to broaden their publication to include children comics and develop contents with licensed character. Imprints under CAB are Muffin Graphics (for children's comic) and Second Wind (for teen and young adult).

A vibrant, stylized illustration of an underwater scene. The background features a bright blue sky with soft, white clouds. Below the sky, there are large, rounded hills in shades of orange and yellow. In the foreground, there are green, wavy seaweed-like plants and a school of small, white fish swimming in a line. The overall style is colorful and child-friendly.
